DET

The architectural floor plan illustrates the ceiling and structural details of the Saint-Cyr-sur-Loire school and sports equipment. The plan is divided into several rooms, including a large hall (HSP : 240), a smaller hall (HSP : 250), and a kitchen (HSP : 250). The ceiling details are shown in various colors and patterns, indicating different materials and construction methods. Key features include:

- Structural Elements:** Columns, beams, and slabs are shown in various colors and patterns.
- Ceiling Details:** Different ceiling types are indicated by color and pattern, such as "plafond métallique", "plafond coupe feu", and "plafond acoustique".
- Room Layouts:** The plan shows the layout of various rooms, including a large hall (HSP : 240), a smaller hall (HSP : 250), and a kitchen (HSP : 250).
- Annotations:** Numerous annotations provide details about the construction and materials used, such as "HSP : 240", "HSP : 250", and "HSP : 240".
- Orientation:** The plan includes a north arrow and a scale bar.

The plan is divided into several sections, each with its own set of details and annotations.
